Dear Friends,

BHIAD is offering a honorary scholarship (No Interest and No Due Date) of \$1,000 every three months to one medical student who writes the best one page essay. The essay must be about why they chose medical school over any other graduate school program and how they will help our community. Please email your essay with your complete information and picture. We will inform you about the results of the essay contest winner at a later date.

Thank You and God Bless You.

Sincerely

Dr. Mirahamdi
